

## **2015 STELLAR GOSPEL MUSIC AWARDS MEDIA CREDENTIAL REQUEST FORM**

Please complete this form and email to [PRESSRSVP@THEFRONTPAGEFIRM.COM](mailto:PRESSRSVP@THEFRONTPAGEFIRM.COM) as soon as possible, but no later than Friday, February 13 in order to be considered for media credentials for the 2015 Stellar Gospel Music Awards, which will take place on Saturday, March 28, 2015 at The Las Vegas Orleans Arena.

Media credentials are available only to legitimate working press who will be covering the Awards show. Upon successful submission of this form, you will either receive:

1. A confirmation email indicating your level of access, or
2. An email requesting further information, or
3. An email informing you that we will not be able to accommodate you this year.

All information is subject to verification. Please note that you will be required to provide photo ID when you pick up your credentials onsite, so please only include the name listed on your government-issued identification on your application. One (1) application is required for each media outlet planning to attend (which includes all staff representatives covering the show).

Media are invited to cover the following events pending submission and approval of this application. Please place an "X" in front of the events you are looking to receive credentials for.

Red Carpet Arrivals Access – Saturday, March 28

Stellar Awards Backstage Press Room Access – Saturday, March 28

Stellar Awards Pre-Show Access (In House and Winner's Photos/media show seating only) – Friday, March 27 at 7 pm

Stellar Gospel Radio Awards and Showcase on Saturday, March 28 at 11 am

**Please provide the information requested below.**

Please note that credential approval for former Stellar Awards events does not guarantee credentials/media access to this year's awards show. Priority access will be given to those outlets that plan to run pre-show coverage in advance of March 28, 2015; media operating on deadline for newsgathering purposes; outlets which covered last year's event(s), and have already submitted their coverage. Those who have not yet submitted their previous coverage may do so along with this year's credential application. Those applying for first-time credentials will be approved based on available space and info provided below.
