Syndicated gospel radio shows should demonstrate originality and provide a local sound.

☐ Stellar Gospel Radio Committee

- Prior to placement on the first-round ballot, terrestrial and online Gospel Radio Stations and syndicated shows will be reviewed by an impartial committee to verify that they meet the rules and regulations of the Stellar Awards, active in community service events and relevant in the industry as demonstrated by station achievements. Radio stations must have a unique signature on-air presence and a style that is emulated but never totally duplicated.

☐ Entries vs. Nominations: Entries are NOT nominations.

- The online eligibility entry process is not a voting process. Entries are submissions to be considered for placement on the first ballot by the Stellar Gospel Radio Committee.
- Entries are not votes. Only one entry of the same station in the same category is necessary (More than one entry of the same station in the same category is considered a duplicate and will be voided.)
